

Horses for Sale or In Hand Competition

Whether elite sport horse, broodmare, or pleasure horse, for sale, in hand competition, or for inspection, it's a simple fact that after a session of appropriate massage

**THE LOOK (CONFORMATION) OF
THE HORSE IS BETTER.**

**LONGER SUPPLER NECK, LONGER
STRIDE, SWINGING GAITS, MORE
BALANCED, GRACEFUL LOOK.***

**Try it before a class, before an
inspection, before prospective
buyers arrive.**

**(*unless you have a horse who
cannot be improved upon)**
